TOP SIDE LOADER
Clean Room Washer/Extractors

Available in processing capacities of 200 and 400 lbs. in a 2-Pocket configuration.
THE TOTAL CLEAN ROOM PACKAGE

BENEFITS
The Single Motor Drive Clean Room Washer/Extractor is specifically designed and engineered for laundries requiring a contamination-free, cleanroom environment. Offering the most efficient and effective protection, the TSL employs a full barrier wall and Braun’s unique air-flow system to prevent the possibility of cross-contamination.

STANDARD FEATURES
- Braun Neutron Suspension to isolate vibration from workplace
- Rugged design and construction – technologically advanced
- Microprocessor controls
- Air-operated, type 316 stainless steel water valves
